MMRI - Why we are THE ASP CHOICE for YOU

WHO WE ARE

Medical Management Resources, Inc. is a privately owned company founded in 1986. The vision behind MMRI was to find time-saving solutions for physicians' revenue cycle needs.

Our goal is to deliver high quality business services to the medical community so providers can spend more time with their patients.

MMRI provides our clients with a direct and accurate portrayal of their business and keeps them apprised of any pertinent government regulations and insurance company procedures that could affect their practice.

That's just who we are.

WHAT YOU CAN EXPECT

WHAT OUR CLIENTS SAY

“Fast and effective communication.”

“I have gained invaluable in-house expertise in both accounts receivable and general business management.”

“One cannot know everything all the time. That's a given, and yet the MMRI crew constantly tried to prove that wrong.”

“Allows us to capture all of the changing health care rules and requirements resulting in our clients receiving maximum reimbursements.”

“Very professional - sets expectations and delivers no surprise pricing, ensures satisfaction.”

“MMRI is timely and on top of things ...very aggressive, a well oiled machine. “

“We can concentrate solely on our clients and not have to deal with maintenance and costs of upgrades, training, extra equipment and finding IT specialists.”
